FIFTH SUNDAY IN LENT: PASSION SUNDAY
TE RĀTAPU TUARIMA O RĒNETI:
TE RĀTAPU MAMAETANGA

FROM THE DEAN

One of the themes that occurs during our Eastertide readings this year is the reminder that we 'abide in Christ' so that we have the strength to 'go and tell.' This is a theme based on mission.

Christian mission is inspired by God, and we therefore must depend on God. There is great value in exploring Jesus' teaching about mission as John expressed it for his diverse community. Fundamental to this thinking is the insistence on a profound relationship with Christ as the foundation of everything. Rooted and grounded in Christ like the branches of a vine, knowing his voice as a sheep knows its shepherd's. The primary resource for mission is a dynamic, life-giving engagement with Christ as the context for all that we do.

While the ideas about mission are not refined and polished in the texts, we do find ideas about skills and resources to guide us in a society where it is often difficult and increasingly unusual to profess the Christian faith, they have much to offer us!

Please join us tonight as we begin our journey to Easter with a Stations of the Cross procession at 5pm. This procession will reflect what we do in our Advent and Christmas processions and will take us through a scriptural reflection of Jesus' journey from the Garden of Gethsemane to his laying in the tomb as a preparation for our Easter celebration.

With every blessing
Anne
