THE HOLY TRINITY CATHEDRAL NEWSLETTER

HOLY TRINITY CATHEDRAL IS CLOSED DURING LEVEL 3 LOCKDOWN WE ARE HERE FOR YOU. KEI KONEI MĀTOU MĀU.

As Auckland perseveres under the COVID alert levels, Holy Trinity Cathedral remains closed for services, events and visitation. We have seen how isolation can shake our sense of community and our own sense of self, and so it is our hope that we can open our doors again soon to welcome you to the wide variety of ministries your Cathedral offers. Many aspects of Cathedral life are taking place virtually and we welcome you to join our online community for any of the services and events listed below.

Ngā mihi nui,

OUR PURPOSE AND PRESENCE

[Staying Connected with Dean Anne Mills ONLINE](#)

This weekend we celebrate the fourth anniversary of this Cathedral's consecration and thank Bishop Ross for being willing to preach on Sunday as we acknowledge and give thanks for the completion, life, and ministry of this place.

Who would have imagined then that we would today find ourselves in a global pandemic that has caused so much disruption and uncertainty? Yet in the midst of this disruption, we have much to learn and much work to do as individuals and faith communities. >>>

EVENING PRAYER

6pm Wednesday 27 October [VIRTUAL CHURCH](#)

The Cathedral has moved from two weekday evening services to one. This online service will be offered each Wednesday at 6pm until such a time as Auckland reverts to level one and the Cathedral can open its doors again. Please join us for this short period of stillness and prayer in the middle of the week which we hope will serve as a small antidote to the stress and strain of lockdown. This service is taken from the New Zealand Prayer Book.

HOW WE READ OUR SCRIPTURES

7pm Wednesday 10 November [MEDIUM TBC](#)

A joint initiative of the Pearl of the Islands Foundation (Muslim), Beth Shalom Progressive Synagogue (Jewish) and the Holy Trinity Cathedral (Christian), the aim of this initiative is to promote inter-faith understanding and co-operation between members of the three monotheistic religions, Islam, Judaism and Christianity by holding annual panel discussions.

The theme for this year's panel is to use a Scripture story that is in common, and yet slightly distinct, in Biblical and Quranic narratives.

GET ONE. GIVE ONE.

[Support vaccine equality with the Anglican Missions](#)

In being thankful for the availability of vaccines in our country, we are aware that many people are not so fortunate. The *Get one. Give one. Campaign* aims to protect and support the most vulnerable.

If you plan to be vaccinated or if you have already done so why not contribute to a broad global initiative that aims to fund support for vaccine equality in countries that might otherwise miss out?

Just \$10 will cover the delivery of a single vaccine to someone in need. This initiative has already raised \$117,109 towards a goal of \$150,000. Can you help reach that goal?

PRAYER FOR THE WEEK

The collect prayed by Bishop Ross at the 2017 Consecration of Holy Trinity Cathedral Service

Almighty God, to whose glory we consecrate this house of worship: we praise you for the many blessings you are giving to those who worship you here. We pray that all who seek you in this place may find you, and, being filled with the Holy Spirit, may become a living temple acceptable to you; through Jesus Christ our Saviour, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

Amen.

A LETTER TO THE COMMUNITY

[From the Chair of the Cathedral Resources Board](#)

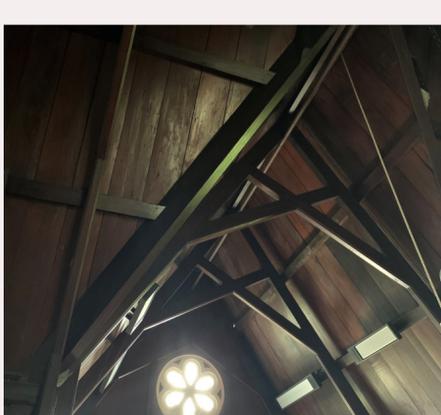

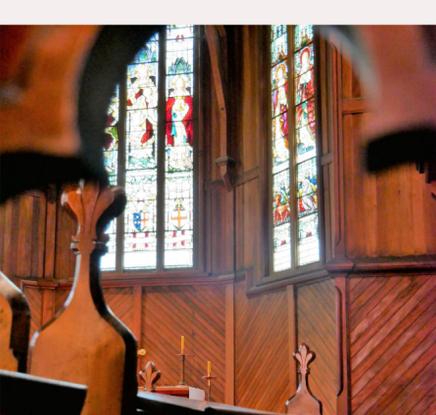

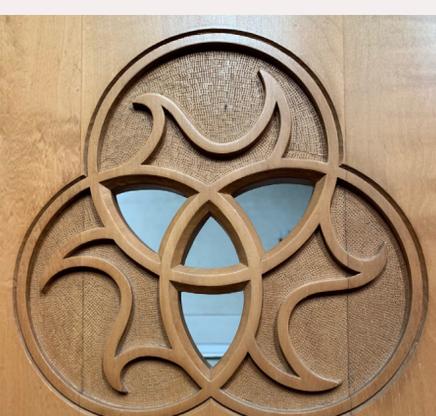

The Cathedral relies significantly for its operation on income derived from events held in the precinct (...). In particular it relies on income derived in the last part of the year which is its peak season. This income is used to see us through the first part of the next year. We have been unable to hold any events for many weeks now and the long tail of Covid is putting our ability to hold events during our peak season in jeopardy. >>>
